

Police Cadets

1048.1 PURPOSE AND SCOPE

Cadets work under direct supervision, perform a variety of routine and progressively more advanced tasks in an apprenticeship program in preparation for a career in law enforcement.

1048.2 EDUCATION REQUIREMENTS

Cadets are required to maintain a minimum grade point average of 2.0 ("C" grade) for all courses taken. Cadets shall complete nine (9) semester units of college course work per semester.

1048.3 PROGRAM COORDINATOR

The Training Manager or other administration sergeant will serve as the Program Coordinator. This supervisor will be responsible for tracking the educational and job performance of cadets as well as making their individual assignments throughout the Department. He/she will also monitor the training provided for all cadets and review all decisions affecting job assignments, status for compensation, school attendance and performance evaluations.

1048.3.1 PROGRAM ADVISORS

The Program Coordinator may select individual officers to serve as advisors for the Cadet Program. These officers will serve as mentors for each cadet. Cadets will bring special requests, concerns, and suggestions to their program advisor for advice or direction before contacting the Program Coordinator. One advisor may be designated as the Coordinator's assistant to lead scheduled meetings and training sessions involving the cadets. Multiple cadets may be assigned to each program advisor. Program advisors are not intended to circumvent the established chain of command. Any issues that may be a concern of the individual's supervisor should be referred back to the Program Coordinator.

1048.4 ORIENTATION AND TRAINING

Newly hired cadets will receive an orientation of the organization and facilities before reporting to their first assignment. On-the-job training will be conducted in compliance with the Cadet Training Manual. Training sessions will be scheduled as needed to train cadets for as many assignments as possible. In addition to job-specific training, information will be offered to prepare cadets to compete successfully in the police officer selection process, as well as the academy training. All training will focus on improving job performance, as well as preparation to become police officers. These meetings will also offer an opportunity to receive continuous feedback regarding progress of the program.

1048.5 CADET UNIFORMS

Each cadet will be provided two uniforms meeting the specifications described in the Uniform Manual for non-sworn employees.

1048.6 ROTATION OF ASSIGNMENTS

Rotating job assignments should occur on a regular basis to enhance the career development for each cadet. Department needs and concerns will take precedence over individual considerations with the final decision resting with the Program Coordinator.

In general, senior cadets will be assigned to positions requiring more technical skill or responsibility, as well as serving to train cadets for new assignments or those newly hired.

1048.7 RIDE-ALONG PROCEDURES

All cadets are authorized to participate in the Ride-Along Program on their own time and as approved by their immediate supervisor and the appropriate Watch Commander. Applicable waivers must be signed in advance of the ride-along. Cadets shall wear their uniform while participating on a ride-along.

1048.8 PERFORMANCE EVALUATIONS

Performance evaluations for all cadets shall be completed each six months until they successfully complete probation. Upon successful completion of probation, cadets will be evaluated on a yearly basis to assess their current job performance and their potential as police officers.
